## Learn to Skate Seminar (Star 1 -4)

Kimberley Skating Club is happy to announce the Learn to Skate Seminar hosted on October 27 2018.

We are inviting all Star 1 to 4 skaters to join us for a fun day filled with "on ice" and "off ice" activities, with yummy treats and refreshments for lunch.

### Our guest coach is Tyler Bidnyk

Tyler grew up skating singles in Grand Forks and later with Kelowna to the Junior level. After retiring he went to University for graphic design, but continued coaching after graduation and made it his main career.

He taught in both Kamloops and Kelowna for two years each before moving to Manitoba to pursue the high performance side of things. In Manitoba he worked daily with Provincial and National level skaters and was part of the team that helped train Paige Lawrence and Rudi Sweigers to get to the Olympics in Sochi Russia.

Over that period he has also been a regional coach for three BC Winter Games and provincial coach for Manitoba at the last Canada Winter Games.

After his stint in Manitoba he directed the Sandy Shores Skating Club in Parksville for four years until him and his family decided to move back home to Christina Lake/Grand Forks.
